

Bernardo de Galvez Chapter # 1

1st Quarter 2022 NEWSLETTER

FROM THE PRESIDENT

BY Bill Mayo

The first three months of 2022 have been relatively quiet for the chapter. However, we have had the applications for two new members approved. The annual reports to TXSSAR have been prepared and submitted; Compatriot William Adriance did an outstanding job of preparing the Americanism Report.

One area that the chapter needs to spend effort is improving the attendance at our monthly meetings. We have all taken the oath to support both the chapter and its officers when we were admitted into the organization. Members, who are not living out of the area or are not restricted for medical reasons, should make an effort to attend the monthly meetings. A second area that needs attention is that of acquiring speakers for our monthly meetings. Although this is the responsibility of the executive board, if you know of any available speakers that you think members would enjoy hearing, please provide the 1st Vice President Hugh Ferguson with the contact information for them. I look forward to seeing you at future meetings and your participation in future events.

During our January meeting, Kathleen Maca, the author of Hotel Galvez, presented an overview of her book. It was an exciting presentation, and Ms. Maca had signed copies of her book available for sale. Ms. Maca was presented with a Certificate of Appreciation for her presentation by President Billy Mayo.
